Fire Chiefs Association of Massachusetts*

presents

Statewide Fire Mobilization for Task Force Leader Training

This four-hour program is designed for all Task Force Leaders as part of the Massachusetts Fire and Ambulance Mobilization Plan. This course will familiarize Chief Officers with their role and responsibilities when activated as part of the plan and what to expect from requesting communities. This program is designed specifically for the Task Force Leaders and has many exercises to help demonstrate the activation process, response objectives, information flow, and documentation requirements associated with activations.

Typically catastrophic incidents require the activation of the extensive resources contained within the Massachusetts Fire and Ambulance Mobilization Plan. These complex responses create a challenging environment to ensure safety of personnel and meet operational objectives. In partnership with the Massachusetts Fire Mobilization committee, the Department of Fire Services has developed this four-hour program specifically for Task Force Leaders.

Check-in will be from 0800 to 0900.

Course #: 200-000-599 Session C Date: Wednesday, May 2, 2012 Time: 0900-1300 Location: United Methodist Church 271 Rocky Hill Road Northampton, MA	Course #: 200-000-599 Session A Date: Wednesday, May 9, 2012 Time: 0900-1300 Location: Department of Fire Services 1 State Road Stow, MA
